IMPORTANT NUMBERS

Welcome to Mount Isa

Mount Isa is a city in the Gulf Country region of Queensland, Australia. It came into existence because of the vast mineral deposits found in the area. Mount Isa Mines (MIM) is one of the most productive single mines in world history, based on combined production of lead, silver, copper and zinc. Mount Isa's industry is largely dependent on mining; however Mount Isa is the administrative, commercial and industrial centre for the state's vast north-western region. Locals often refer to Mount Isa as "The Isa".

The Mount Isa City Council jurisdiction is one of the largest in the world in terms of area and takes in the border town of Camooweal, 188 km to the north-west of Mount Isa and 12 km from the border of the Northern Territory.

Although situated in an arid area, the artificial Lake Moondarra 19 km north of the city on the Leichhardt River provides both drinking water and an area for water sports, bird watching and recreation.

Events and Attractions in Mount Isa include the Hard Times Mine at "Outback at Isa", MINEX (The Mining Expo), The Mount Isa Agriculture Show and The Lake Moondarra Fishing Classic; which is the richest fresh water fishing event in Queensland. These are just a few of the events and attractions that we host in Mount Isa and of course we cannot forget that Mount Isa is home to the largest Rodeo in the Southern hemisphere, The Mount Isa Rotary Rodeo, which has given Mount Isa the title of "Rodeo Capital of Australia".

YOU'LL DIG RICHMOND

OUTBACK QUEENSLAND

It's what lies beneath

The Great Inland Sea which once covered the Richmond landscape with 40 metres of water, has left a story of marine creatures and the Cretaceous period of the earth's evolution.

Visiting Richmond is an unforgettable, prehistoric adventure where you can fossick for some

of the most awe-inspiring marine creatures of all time and investigate Australia's premier marine fossil museum, Kronosaurus Korner.

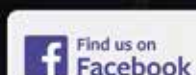

While in Richmond, don't miss year round Barramundi fishing on Lake Fred Tritton, the Bush Tucker Garden and beautiful lakeside and historic town walks.

For the latest on Richmond, including the Richmond Outback Fossil Festival visit
